- Our **high liquidity transaction fee of 1%** makes it so we can all get high, even if some mother fuckas smoke too much.
- Snoop Doge presents **Friday High Day**: a weekly give away where investors get a chance to **win cash prizes just for holding**.
- We got a merch line coming with **lighters, rolling papers, grinders,** and **limited clothing drops** to wear while getting high, or even before getting high.
- **Sharing is caring**. We will donate money towards **repairing the lives** of people **sadly convicted of cannabis charges** before legalization. We'll help save dogs too.

OH YEAH, AND WE'RE CREATING OUR OWN CANNABIS STRAIN. BE RESPONSIBLE.

VALUES

TRANSPARENCY

Snoop Doge is decentralized and supported by its community of fellow stoners and non stoners. We don't discriminate. Except for FUD spreaders. Those paranoid mother fuckers can't hang.

We encourage open communication and believe trust, transparency, and community are the 3 pillars to building success and nothing less. There's no such thing as a stupid question here. Ask Uncle Snoop Doge anything. He's always high, so you'll get the honest truth.

TRUST

In the cryptocurrency market trust is paramount, ya dig? That means full transparency not only in the community and development, but also in security efforts. Your boy Snoop Doge has the LP tokens locked for 10 years. This is to help ensure this coin is for the people. Hugs not rugs, ya feel?

COMMUNITY VISION:

Snoop doge is truly for the people. We firmly believe that all great leaders stand with their own. To increase the fairness of the launch, our devs will have to wait in line with everyone else to buy their own coins. **No private sales here.** Not even a pre-sale. Everyone's favourite Uncle Snoop Doge is putting up 50k of his own money to start the liquidity off right, all of which will go to our locked LP, before our FAIR LAUNCH on pancake swap.

Community extends outside of this project. We are here for all fellow weed smokers. It's sad to say **over 15 million people have been incriminated with cannabis related charges** over the last decade. Snoop Doge will **donate funds** and **help bring awareness** to leading not for profits that advocate for the people and families of those whose lives were turned upside down, for a plant that rightfully ended up legal.

CANNABIS SOCIAL JUSTICE ADVOCACY

As most of North America moves away from the criminalization of cannabis, giving rise to a major new industry, there remains the fundamental injustice inflicted upon those who have suffered criminal convictions and the consequences of those convictions.

Snoop Doge strives to help repair the lives of the families affected from criminalization of a harmless plant once unfairly labelled bad. We will donate to organizations whose aims are to help rectify the past and continuing harms of these unjust laws and policies.
